

## Talks 29 - Day at the Beach

Fill in the matching gaps with the following items:

appreciate, experience, went, relax, place, people, sound, attention, towards, was, also, breeze, might, huge

The first time I \_\_\_\_\_ to the beach, I was mesmerized. Because there \_\_\_\_\_ a beach party going on at the moment, the crowd was \_\_\_\_\_.

But what got my \_\_\_\_\_ the most was how the waves rolled vigorously \_\_\_\_\_ the shore and the deafening \_\_\_\_\_ that it came with. It was quite a refreshing \_\_\_\_\_, and as somebody who grew up several miles away from the sea, I began to \_\_\_\_\_ the sort of experience that \_\_\_\_\_ who grew up along the coast \_\_\_\_\_ have had. Upon later visits, I realized that the beach was not only a \_\_\_\_\_ to have fun, but can \_\_\_\_\_ be an ideal, quiet and serene environment to \_\_\_\_\_ and enjoy the calmness of the \_\_\_\_\_.
