Hi, my name's Sarah. I'm from the USA, and my question is _____ (what / how) do you think about Black Friday?

I have really positive _____ (memory / memories) of Black Friday. In the _____ (days / day) before Black Friday, my _____ (parent / parents) and I and my brothers and sisters would look ____ (up / at) the catalogues from the stores and we would pick ____ (up / out) one or two things that we thought was a _____ (really / rarely) good deal and we wanted to get _____ (from / for) someone for Christmas. Then _____ (on / at) Black Friday, we would wake up really early - maybe _____ (on / at) four o'clock, four thirty - and we would go _____ (to / at) the store, and we would all _____ (stand / stood) outside the store, and it was very cold so we would _____ (huddle / hurry) together with the other customers and _____ (then / them) the store would open. We would go pick out _____ (are / our) item we wanted to buy, and I always _____ (thought / though) it was a really good deal and a fun _____ (memories / memory) with my parents.

Hi, my name's Sarah. I'm from the USA, and my question is _____ (how / what) **(what)** do you think about Black Friday?

I have really positive _____ (memories / memory) **(memories)** of Black Friday. In the _____ (day / days) **(days)** before Black Friday, my _____ (parents / parent) **(parents)** and I and my brothers and sisters would look _____ (up / at) **(at)** the catalogues from the stores and we would pick _____ (up / out) **(out)** one or two things that we thought was a _____ (really / rarely) **(really)** good deal and we wanted to get _____ (for / from) **(for)** someone for Christmas. Then _____ (on / at) **(on)** Black Friday, we would wake up really early - maybe _____ (on / at) **(at)** four o'clock, four thirty - and we would go _____ (to / at) **(to)** the store, and we would all _____ (stood / stand) **(stand)** outside the store, and it was very cold so we would _____ (hurry / huddle) **(huddle)** together with the other customers and _____ (then / them) **(then)** the store would open. We would go pick out _____ (are / our) **(our)** item we wanted to buy, and I always _____ (though / thought) **(thought)** it was a really good deal and a fun _____ (memories / memory) **(memory)** with my parents.
