

What is my dream job?

Okay, so my dream job is to become a _____ (successful / successfully) business woman. I don't call it a _____ (dreamt / dream) job, I just call it a goal. This is my goal to _____ (become / becoming) successful business woman. But apart _____ (for / from) this, I love _____ (trading / trades) a lot. I would _____ (die / dye) to become pro at scalping trading. This is what I'm actually _____ (willing / wanting) to be doing in the next few months, learning _____ (much / more) about trading and scalping, and this is _____ (who / what) I'm willing to be successful at one day, you know. So, I always _____ (imagine / image) myself, I don't mind if I see it the _____ (whole / hole) day in front of my screen _____ (doing / done) scalping, learning new things, learning _____ (more / many) about it.

So yeah, this is _____ (actually / actual) what I'm willing to be doing in the next _____ (fewer / few) months and few years. So, yeah, that's _____ (so / it).
