

Hi, my name's _____ (Rachel / Roberta), and I'm from Australia. My _____
(questions / question) is, is it important for you to have ____ (the / a) car?

So, where I live at _____ (the / a) moment, there is a lot of _____ (publicly / public)
transport, so _____ (have / having) a car is not a _____ (hung / huge) thing for me.
_____ (Obviously / Obvious) it would be nice if I had the _____ (optional /
option) to drive around, could be a bit _____ (easier / easily), but no. Overall, as long
as I have _____ (well / good) public transport, it doesn't _____ (effect / affect) my life
that much, and it's _____ (actual / actually) better for the _____
(environmental / environment), so I'm okay with _____ (it / them).
