

The question that I'm _____ (answering / answer) is did you have a part-time job when you _____ (was / were) younger?

The answer to this is I've had a _____ (fewer / few) part-time jobs, but I'll talk about my first part-time _____ (jobs / job), which is delivering _____ (a / the) newspaper. So, in 1994, when I was _____ (still / style) in high school, every Wednesday, I would take a _____ (whole / hole) stack of newspapers in a trolley and go _____ (around / over) the neighborhood and put all these _____ (newspapers / newspaper) into people's letter box. Now, it's the local paper, and _____ (unfortunately / unfortunate) now, the local paper doesn't _____ (existed / exist) anymore, but I do have those _____ (memories / memory) when I had to walk around in the rain, had to walk _____ (under / around) in the hail, had to walk _____ (around / through) in the sunshine on those hot 30 degree days to _____ (delivery / deliver) these newspapers after school without _____ (fall / fail).

So, that is _____ (mine / my) first part-time job.
