

Hello, my name is Juan Cruz. I'm from \_\_\_\_\_ (Argentina / Argentinian). And my question is, \_\_\_\_\_ (when / what) is your favorite meal?

Well, so my favorite meal is typical \_\_\_\_\_ (hear / here) in Argentina. It's called empanadas, and my favorite \_\_\_\_\_ (type / types) of empanadas are meat empanadas. So my family owned a pizza shop when I was little, and I would have them all the \_\_\_\_\_ (time / times). So, when I have them now, it's like going back to \_\_\_\_\_ (when / win) I was a kid. So it consists \_\_\_\_\_ (at / of) making a filling, which has meat \_\_\_\_\_ (in / at) it, and you put that \_\_\_\_\_ (on / in) a dough. The dough can then go fried or in the \_\_\_\_\_ (oven / over), which is my preference \_\_\_\_\_ (from / for) about, I think, half an hour, 45 minutes. And then when you eat it, you can add a little \_\_\_\_\_ (bite / bit) of sugar to it to have a \_\_\_\_\_ (salty / salt) and \_\_\_\_\_ (sugary / sugar) taste in it.

And I absolutely \_\_\_\_\_ (love / loathe) them.
