

Intermediate 5 | Lesson 10 | First Conditional

Class President

Listen to six students say what they will do if they are class president.

Bob

If you _____ me student body president, I will provide you with the best parties you have ever seen. The school has already focused on education. We've already been focused on sports, but I will _____ with parties that no one has seen before. Parties in important for student life because if we don't have good parties, how can we enjoy our education and our studies. Elect me student president, and I promise to fulfill your needs students.

MJ

Dear fellow students, this is MJ. If you guys vote me as the representative of this university, I will definitely _____ you more vacation. We _____ too much classes on one week, and we have a shorter vacation during the summer. For example, right now we have sixty days of vacation in the summer, but I will promise you to increase to eighty. Please vote me for the representative of this school. Thank you.

Ben

Dear students, if you elect me as student body president, I will _____ that we have a cheaper way to come to school, because right now, coming to school, transportation by bus is way to expensive and dealing with the economic problem's right now, I think we can definitely do with a cheaper mode of transportation, so ... and also for services, it's not good at all, and I think that we should _____ better services and a cheaper deal.

Susan

Well, I hear from a lot of people that there are not enough good teachers at this school, and workers at the office are not helpful at all, so if you _____ for student body president, I will meet with the president to relay the problems so that you can start to hire better staff, because I think _____ is the most important thing in this world. That's why you guys are at school, right? So vote me now?

Julio

Hello, ladies and gentlemen, today I _____ talk to you about the conditions in your cafeteria. It is outrageous, that we have to pay twice as much for a place to salad, than for a place of fried chicken. Universities should promote health, and our university is not _____ so. There is a lot of people who are visiting our campus and in the world today more people die of obesity than from cigarette or alcohol related diseases. If I get elected into president, I would vow to change the conditions in our cafeteria and make health food available for everyone at reasonable prices.

Mary

My fellow students, we have a problem. There are no _____ in our library. The library is a very interesting place, which I'm sure you'll all use very regularly when you want to go to sleep, when it's very cold and you wanted a heated place, but this university is an academic institution, and every now and again, I like to be able find a book in there. I walk into the library, and I look left and there are empty shelves. I walk into the library and I look right and there are more empty shelves. I'd like to be president of this campus next year, and I will _____ some books for this library.

Quiz

- Bob thinks students need to _____.
