<p>Hello, my name is Lilit. I'm from Armenia. Today my question is, do you have piercings?</p> <p>I <b>absolutely</b> love piercings. Although I have piercings only on my ears, I have this little tradition of getting a piercing every time I <b>accomplish something</b> in my life. So most of my piercings I got during my student years, when I graduated college, then I graduated university, when I got my first job, which was a big accomplishment for me at that time. So I think it's a really <b>fun way</b> for me to commemorate all these achievements that I have in my life.</p> <p>And I'm thinking I will continue doing this in the future as well and maybe <b>one day</b> I'll have my ears fully pierced. So I think that if anyone is <b>thinking of</b> getting a piercing, they should absolutely do it because it's just as fun as getting a tattoo or something similar.</p>	<p>considering   someday in the future   really   interesting activity   do something important  </p> <p>Anne is busy now, but _____ she wants to travel abroad.</p> <p>Doing your makeup is a _____ to try new styles.</p> <p>I am _____ coloring my hair pink.</p> <p>He was _____ exhausted after the trip.</p> <p>The smart doctor will definitely _____ in the future.</p>
