Hi, everyone. My name is Jill, and I'm from Australia. And my question today is, "What are you wearing today?"

I'm actually really _____ to answer this question, because I am wearing my new favorite T-shirt and it is from my most recent holiday. It is the _____ of green that I love the most because it reminds me of the _____. And it says on here, "You can either fight it or ride it," and it has a picture of a girl who is riding a _____, which is perfect because on this _____ I went on a surfing camp.

I'm also wearing today a _____ that I always wear with me. And this necklace is really _____ because one thing about me is that I love to _____, and on this necklace are little trinkets which I have collected from all of my travels. For example, this shell is from Spain, this little glass pendant is from Italy, and this _____ key is from India. And I am wearing this today, and I wear this every day because it reminds me of happy _____ that I had from when I was traveling.

What about you? What are you wearing today?
And do they hold any special meaning to you?

Hi, everyone. My name is Jill, and I'm from Australia. And my question today is, "What are you wearing today?"

I'm actually really **excited** to answer this question, because I am wearing my new favorite T-shirt and it is from my most recent holiday. It is the **shade** of green that I love the most because it reminds me of the **forest**. And it says on here, "You can either fight it or ride it," and it has a picture of a girl who is riding a **wave**, which is perfect because on this **holiday** I went on a surfing camp.

I'm also wearing today a **necklace** that I always wear with me. And this necklace is really **special** because one thing about me is that I love to **travel**, and on this necklace are little trinkets which I have collected from all of my travels. For example, this shell is from Spain, this little glass pendant is from Italy, and this **silver** key is from India. And I am wearing this today, and I wear this every day because it reminds me of happy **memories** that I had from when I was traveling.
