

Hey guys, what's up? This is _____ (your / you're) teacher, Todd, talking to you for elllo.org, and today I am _____ (on / at) the beach and I am _____ (relax / relaxing).

It's Sunday, and I like to _____ (came / come) to the beach on Sunday because it's quieter and it's _____ (more / much) peaceful. Sometimes it's really _____ (lively / live) here, and on Sunday, usually the beach is more _____ (peaceful / peacefully), more relaxing, and now it is _____ (getting / get) dark. It's actually getting darker this time of year because it's _____ (fill / fall), so the weather is getting cooler and the temperature is _____ (dropping / dripping). But I kind of like that, _____ (actually / actual). It's just a really nice time of year, you _____ (knew / know). I like the fall because it's just prettier. I think the _____ (weather / whether) is nicer, the scenery is more beautiful, and it's cooler. It's _____ (now / not) so hot. So I really, really like the _____ (fall / fell), so I'm having a good day today, _____ (enjoying / enjoy) myself at the beach.

What about you? What's the weather _____ (live / like), where you live?

Is the weather getting warmer? Is it nicer _____ (than / then) before? Are you happier _____ (then / than) before?

I hope so. I'm happier right _____ (now / nice) because the weather is cooler, and it's not _____ (such / so) hot.
