

Hello, my name's Elaine, and ____ (I / I'm) from England. My question was, do you like to ____ (make / made) your own ____ (clothes / cloth)?

I wish I could make my own ____ (clothes / closet). I have tried, but I don't have the ____ (patience / patient). My mom's actually a costume ____ (design / designer), and so when I was little she ____ (used / use) to make all my clothes ____ (for / of) me. I had lots of ____ (beautiful / beautifully) party dresses and ____ (nowhere / nobody) else had anything like ____ (it / them). In fact, my mom even ____ (bought / bough) me a sewing machine for my ____ (birthday / birth) last year. I haven't had ____ (much / many) time to learn how to ____ (use / used) it.

I really like ____ (buying / buy) vintage clothes or secondhand ____ (cloth / clothes) and adjusting them. So I ____ (will / want) try to, for example, if a dress is ____ (too / to) long, I will try to take it ____ (up / off). Or if something is too ____ (wide / wade), I will try to take it in. ____ (Maybe / May be) sometimes I like to ____ (change / charge) a button or to make it ____ (much / more) beautiful. I find this is also an ____ (ecological / ecology) way of shopping. It's a bit ____ (unusual / unusually), and I don't want to dress like ____ (everywhere / everyone) else.

But what ____ (around / about) you? Do you make ____ (you're / your) own clothes? Do you ____ (modern / modernize) or revamp your clothes? ____ (Let / Lot) us know.
