Answer Key

Would you ever get plastic surgery? Manel / Algeria	
---	---

Part 1: Listen to the conversation and answer the questions.

1	What does she say about plastic surgery?	2	What example does she give?	3	How does she feel about people getting plastic surgery?
a	She wants to get it.	a	<u>Accidents</u>	a	<u>She supports it.</u>
b	<u>She will never get it.</u>	b	Beauty pageants	b	She is against it.

Part 2: Put the following words in the text.

fine / medical / features / secure / people / because / look / should / plastic / please

Will I ever get **plastic surgery**?

No. I think I will never get **plastic surgery**. It's because I'm **secure about myself** and the way I **look**, and I think I'm beautiful the way I am, even though I'm not perfect.

And I believe that this is what everybody else **should** be doing, loving themselves the way they are, **because** nobody's ugly. Everybody's beautiful. Trust me. If you are clean and organized, you are beautiful, and you do not need to change anything about yourself, especially your **look**.

So if the **plastic surgery** is done due to **medical** reasons or after an accident, I'm **totally fine with it**. I support it.

But if somebody's changing their **facial features** or something in their body in order to **please somebody else**, no, I'm totally against this, and I would never do it because I love myself, and I never want to hurt myself to **please other people**.

Here are the **short definitions and examples** for the selected words and phrases from the response:

Vocabulary Explanations and Examples
