

Hello, my name is Elisabeth, and I \_\_\_\_ (at / am) from the United States. And my question is, \_\_\_\_ (how / what) is a movie that had really good \_\_\_\_\_ (acting / acted)?

So, I would definitely \_\_\_\_ (say / said) a movie with really good \_\_\_\_\_ (acting / acted) is Forrest Gump. Now this movie, it \_\_\_\_\_ (starred / star) Tom Hanks, Robin Wright, and it's \_\_\_\_\_ (excellent / excellently). Tom Hanks does a wonderful job \_\_\_\_\_ (performance / performing) a Southern accent. It is very \_\_\_\_\_ (convincing / convinces) for someone who does \_\_\_\_ (now / not) come from the South. Also \_\_\_\_\_ (character / characters) like Lieutenant Dan, his mother, very \_\_\_\_\_ (convinced / convincing) characters, also Robin Wright, who \_\_\_\_ (plays / playing) Jenny. You go \_\_\_\_\_ (through / though) the movie feeling sorry for her, but also very \_\_\_\_\_ (frustrated / frustration) with her sometimes with the way she \_\_\_\_ (acts / acting) towards Forrest.

But it's definitely \_\_\_\_ (and / a) story. I'm always crying by \_\_\_\_ (the / there) end of it, especially when Forrest \_\_\_\_ (was / has) his little son, little Forrest. And yeah, it's \_\_\_\_ (justly / just) a wonderful example of acting done really \_\_\_\_ (will / well).
