

Hello, my name is Grace. I'm from South \_\_\_\_\_ (Africa / African), and a job I've had that I \_\_\_\_\_ (absolute / absolutely) hated was \_\_\_\_\_ (cleaning / cleaned) squid.

So when I was younger, I \_\_\_\_\_ (volunteered / volunteer) at the aquarium, the Two Oceans Aquarium, for about \_\_\_ (in / a) year. And I loved the job \_\_\_\_\_ (overall / over). I've been fortunate in that I've never \_\_\_\_\_ (worked / work) at a place that I hated \_\_\_\_\_ (entire / entirely). I always found something I enjoyed \_\_\_\_\_ (about / above) the jobs I've done and the \_\_\_\_\_ (jobs / job) I've been at. But cleaning squid to \_\_\_\_\_ (feel / feed) the animals, the aquarium was very \_\_\_\_\_ (important / importance) and very \_\_\_\_\_ (smelly / smell). I really didn't enjoy it. I eventually had to get \_\_\_\_\_ (spatial / special) clothes that I would only \_\_\_\_\_ (where / wear) when I worked the back of \_\_\_\_\_ (house / home) at the aquarium because I just couldn't get the \_\_\_\_\_ (smelly / smell) out. And the squid, the \_\_\_\_\_ (insides / inside), they would stain your \_\_\_\_\_ (clothes / cloth). It was terrible. However, I did enjoy \_\_\_\_\_ (parts / partly) of it. I got to feed turtles \_\_\_\_\_ (and / an) penguins and I met \_\_\_\_\_ (interesting / interested) people.

I would not do the squid again \_\_\_\_\_ (thought / though). Still, to this day, I \_\_\_\_\_ (have / hate) it.
