

Hello, my name's Alejandro. I am from Toronto, Canada. And my question \_\_\_\_\_ (today / to day) is, do you have any old \_\_\_\_\_ (item / items) or junk you need to toss out?

And I got to say, that question for me is \_\_\_\_\_ (easy / east). People are always holding onto old \_\_\_\_\_ (things / thing) that they don't need and I'm no \_\_\_\_\_ (different / difference) . Although I was \_\_\_\_\_ (raised / raise) to know that wasting is never good. So, I always try to \_\_\_\_\_ (sale / sell) things potentially or even give things that I don't need to \_\_\_\_\_ (person / people) that need them or people that they might \_\_\_\_\_ (fit / fix) better. But we all know that that takes time and my \_\_\_\_\_ (closet / closest) is piling up. I have to \_\_\_\_\_ (donation / donate) some clothing soon, that's for sure. I have donated some of my clothing to \_\_\_\_\_ (charity / charities) shops, to thrift shops, but I'm sometimes conflicted \_\_\_\_\_ (for / with) the places I donate to and \_\_\_\_\_ (whether / weather) or not they're charitable or if they're just looking \_\_\_\_\_ (for / from) profit.

And if that's the \_\_\_\_\_ (cases / case), I would rather just make the \_\_\_\_\_ (profit / profits) myself, to be honest. This has \_\_\_\_\_ (definitely / definite) become a common \_\_\_\_\_ (issue / issued) with everybody. And it's so much \_\_\_\_\_ (such / so), that they even give tips on how to clear \_\_\_\_\_ (out / up) your closet, whether it be sorting things \_\_\_\_\_ (out / into) piles of what you \_\_\_\_\_ (wear / where), what you might wear, and what you haven't worn \_\_\_\_\_ (on / in) a year. But it's \_\_\_\_\_ (definite / definitely) quite the issue and I'm working \_\_\_\_\_ (up / on) it.
