

Hello, my name is Grace. I'm from South Africa, and _____ (what / who) app is very trendy these _____ (days / day)?

I would say an app like Duo Lingo is very _____ (trendy / trending) to the point where people can make _____ (meme / memes) about it and it's sort of well _____ (known / know) how the app looks _____ (depending / depend) on how many days you've missed or if you've _____ (kept / keeping) up your streak of practicing _____ (languages / language). It's quite diverse. It's got lots of languages to _____ (learning / learn). It allows you to learn the language itself, to _____ (practice / practical) speaking, to learn characters in some _____ (case / cases). And it's really useful. And I think _____ (everyone / everything) should give some sort of language app a _____ (trial / try), but Duo Lingo seems to be the most _____ (popularity / popular) to the point where they've got Duo Lingo On Ice. I _____ (know / known). It's quite entertaining and most of it is about _____ (learn / learning) how to sing or how to _____ (speak / spoke) other languages while they _____ (sing / singing).

And it's _____ (entertain / entertaining), but it just goes to show _____ (how / when) widespread the app itself is.
