

Hello. My \_\_\_\_\_ (am / name) is Preah. I am from Belize. My question was, if you were the \_\_\_\_\_ (leaders / leader) of your country, what would you \_\_\_\_\_ (due / do)?

Wow! I'm a little \_\_\_\_\_ (taken / talking) aback by this question only because I'm very \_\_\_\_\_ (opinionated / opinions) about it. If I were my country's \_\_\_\_\_ (leader / leading), I would tell my people the truth \_\_\_\_\_ (over / about) my abilities. Because a lot of times I think \_\_\_\_\_ (politicians / politics), they exaggerate the \_\_\_\_\_ (things / thanks) that they're able to do in order to gain \_\_\_\_\_ (voting / votes). But there are some things that they're \_\_\_\_\_ (simply / sample) not able to do. It's not \_\_\_\_\_ (possible / potential). It's not wise. It's not \_\_\_\_\_ (reality / realistic).

And I would want to \_\_\_\_\_ (tell / talk) my people the truth. Tell them what are things \_\_\_\_\_ (that / this) we can accomplish, what are \_\_\_\_\_ (things / thing) that we can do instead of \_\_\_\_\_ (filing / filling) them with useless hope of things that won't be \_\_\_\_\_ (able / ability) to come.
