

Hello, my name is Terran ____ (and / an) I'm from the United States ____ (of / at) America.
My question is the following: How do you ____ (feel / felt) about pet cafes?

I love the _____ (concept / concepts) of a pet cafe. I think it's really cute. _____
(Special / Especially), I think it's important to know how the _____ (animals / animal) are
being treated. Like, sometimes a ____ (pet / pets) cafe means you bring your pet to the cafe,
and other _____ (times / time) it means that there are pets of the cafe _____ (within /
without) the cafe. So I think the most _____ (importance / important) thing is that the
animals are being treated well, _____ (whenever / whoever) owns them, right? The other
_____ (think / thing) I'll say is I would love to go to a cat cafe, but it quite _____
(literally / literal) could kill me. I'm really _____ (allergy / allergic) to cats. It wouldn't kill
me, but I would leave there _____ (covered / cover) in hives, having asthma, a _____
(running / runny) nose, sneezing. And I just think I would ____ (live / love) it if I weren't
_____ (allergies / allergic) to it.

But a dog cafe, oh, you best _____ (believe / belief) I would love to be a part of that.
