Hi, my name ____ (as / is) Saif and I'm from Pakistan. And ____ (my / me) question is, what worries me more, the _____ (environmental / environment) or the economy?

I worry about the environment _____ (more / much) than the economy. My country is an _____ (agriculture / agricultural) country and its economy is greatly _____ (reliant / relies) on agriculture and livestock _____ (produce / product). An unhealthy environment is bad for _____ (product / producing), which will lead to poor business and as a _____ (resulted / result) hurt the economy. The economy is thus _____ (great / greatly) dependent on the environment, which makes me _____ (worried / worry) since excessive _____ (industrialization / industrial), increased infrastructure, deforestation _____ (and / at) deoceanization is harming the environment _____ (exponential / exponentially) through inefficient toxic waste _____ (dispose / disposal), air and sea _____ (polluted / pollution), leading to _____ (deteriorating / deterioration) ozone layer and poor _____ (environment / environmental).
