

Hello, I'm Victoria. I'm \_\_\_\_\_ (from / for) Suriname. And my \_\_\_\_\_ (questions / question) is, what or how do you feel about superhero \_\_\_\_\_ (movies / movie)? Love them or hate them?

I love superhero movies \_\_\_\_\_ (because / before) I find them inspiring. We all know, or at \_\_\_\_\_ (least / last) I hope we all know, that superhero movies are \_\_\_\_\_ (fantasy / fantastic), but still it \_\_\_\_\_ (providing / provides) us with a number of things. The first one is an \_\_\_\_\_ (escape / escapes) from reality for at least an hour. The second \_\_\_\_\_ (thing / think) that I get from a superhero movie is that anything is \_\_\_\_\_ (possible / potential). Of course, in a movie, it's \_\_\_\_\_ (exaggerated / exaggeration), fantasized. But one thing that I can take \_\_\_\_\_ (away / upon) from a superhero movie is that we can do \_\_\_\_\_ (thing / things) which we otherwise wouldn't think would be \_\_\_\_\_ (possibly / possible). And to be honest, don't we all \_\_\_\_\_ (dream / dreaming) about having superpowers. So \_\_\_\_\_ (watch / watching) such a movie, \_\_\_\_\_ (identifying / identity) with a character in such a movie, is \_\_\_\_\_ (invigorating / invigorated), I believe. So I love superhero movies.
